

The big business marketplace

Business for sale more than 15 years

ID 23006

Offer Corporate follow-up, firm follow-up, follow-up

Fittings

Craftsmanship has golden ground, never before has the time of a craft business been as good as it is today. Lack of craftsmen where you look. All the more craftsmen are valued and paid decently. Condition a professional work. I accompany the willing craftsman from the business registration, through the procurement of orders to the receipt of money, if desired. I help with the calculation, the processing up to the conclusion.

Succession

Region 47, Germany
