Interior design, textile interior design

We are looking for a successor for our well-established craft company with showrooms and workshop. We have been successfully active for 25 years in all trades of the interior design trade, the focus is on decoration / curtain, upholstery and sun protection. Our operational radius is mainly up to 70km around (Rostock, Fischland-Darß-Zingst, Vorpommern, Rügen, Greifswald, Usedom, Neubrandenburg). We are active in the upscale field of textile interior design and offer our customers individual solutions from our own workshops. We are active for private customers, companies and in the public sector, a large share of sales is made up of the tourism industry. The turnover of the last 3 years amounted to an average of 500T€.

We are happy to be available for a training period with all our knowledge and knowledge. The best prerequisite would be the master craftsman's title in the interior design trade.
