

The big business marketplace

Business for sale more than 15 years

ID 23488

Offer Corporate participation, firm participation

Plant production

Upstream agribusiness companies offer equity participation in farms in the new federal states.

Cultivation of propagating and special crops as raw materials for our production in an independent company, professional management, very good long-term development prospects in this segment. Also possible for investors from outside the industry.

Further information is available on request. Please only send you serious letters stating your name and contact details.
