

The big business marketplace

Business for sale more than 15 years

ID 23703

Offer Geschäftsidee, Geschäftsmodell

ModelLabel sustainable bags

ModeLabel from manufactures individually in a small manufactory bags made of wool felt in Nordic style, clear and straightforward.

So far, the label is still in its infancy -
no sales structure
due to lack of time and staff, main activity in other companies,
great growth potential, future market sustainability

The concept, cuts, material, patent is sold to someone who wants to continue the label.
small series from manufactory, handmade bags, wool felt,
