Property management

Look for a property management which is to be handed over in the course of the succession plan.

I am currently working as a real estate agent with my own office in the -Munich region and am looking for a company that will be sold in the course of a generational change. The transition can be made in the longer term to ensure that the quality of your company is maintained. The takeover of their trained staff should be taken over very gladly. Financial background is available.
