Successful audio and video agency with its own film and sound studio in a top downtown location is looking for a company successor. The acquisition is expected to take place on a rolling basis over the next 3-5 years. We are looking for a creative, energetic personality with entrepreneurial spirit from the fields of agency, film production, advertising, audio production, etc.

Everything from a single source: For 20 years of experience, we have been successfully supporting companies with audio and video productions such as voice recordings, advertising recordings, podcasts, image films and animation videos. Our long-standing customer base includes industrial customers from a wide variety of industries, broadcasters and agencies with exciting projects.

Our extensive technical equipment of high-quality camera, lighting and audio equipment meets the highest requirements.
