Gym

We are a renowned self-defense studio with over 30 years of history in and are looking for new premises to meet the growing number of members and course offers.

Our daily business begins in the afternoon area at 4 pm with the first children's courses and ends in the evening area between 8 pm and 9 pm with the last adult courses. We are on site Monday to Friday, rarely on weekends for special events.

We need an area of at least 500sqm for two course rooms. There should also be sanitary facilities and the possibility to use or install changing rooms and showers. Furthermore, we need at least one or two offices and, if necessary, a storage room.

The property should have a good public transport connection. We would also be very happy about the possibility of an underground car park or the rental of parking spaces.
