Business for sale more than 15 years

ID 24217

Offer Corporate follow-up, firm follow-up, follow-up **Engineering company**

Our employees develop, manufacture, assemble and commission our equipment. These are located in Germany and around the globe. Our main focus is on systems for electronics manufacturing as well as in the field of defense technology. For this we develop and manufacture simulators for training. In the field of semiconductor manufacturing we build inspection cells.
