Textile trade

Bootstrap fashion brand with its own production and existing warehouse, close to break even is looking for participation for marketing and sales expansion in Europe

1.5-year-old company is looking for venture capital for the purpose of expanding marketing and sales. Company in the fashion sector (over 100 styles) with a worldwide brand, very good margin as producer also shareholder, extremely competitive also internationally, close to break-even, very tight cost structure with well-stocked warehouse, introduced at trade fairs, is looking for a minority stake to expand the already existing Europe-wide marketing and sales. Very good synergies for investors who want to improve their supply chain.
