Metalworking / sheet metal processing

I am looking for a person who would like to give up their company / business with a certain transition period. I am open to various possibilities of processing. Briefly about me: Male, 43 years old, married. father of two, resident: Ludwigsburg area. My previous activities: Trained construction mechanic, technician training (machine technology), production manager in a sheet metal processing company. Prioritized, I am interested in all areas of metalworking / sheet metal processing. However, I am flexible. Therefore, I look forward to every contact. Yours sincerely, n
