Property management

Property management in / Munich and the surrounding area for active participation and then takeover wanted.
I am looking for a property management company that would have to be sold in the course of a generational change, for example. The transition can be short-term but also longer-term to ensure that the quality of your company is maintained. I'm open to many options. The takeover of their trained personnel should be taken over in any case.
I look forward to hearing from you.
