TOGETHER WE ARE..... VALUE for the market.

You want to sell your agency/business in the next 2-5 years, but your business is too small for the market? Let's join forces. For about 500,000 euros (+) profit / year we can find interesting "buyers" for us.

The idea:

- 1) If you (as a one-man/one-woman show) or your agency makes a profit of about 100,000 euros and if the chemistry fits, let's work together.
- 2) We do not have to build a joint "holding" structure immediately, but in the future. Bringing the profits into holding.
- 3) Together we reach a certain altitude faster, which could be interesting for the "market/investors/other agencies". Until then, work diligently so that we can maximize profits.

About us:

We are a small and profitable digital marketing agency from HH.
