ID 24511

Offer Corporate sales, firm sales, sales

## **Import-Export**

For sale: 1. a newly established operational UG in the import/export sector, which was founded this year and has not yet started any business activities. 2. two holding companies that are the owners of the operating company. One holds 70% and the other 30% of the shares in the operating company. All companies were founded this year and are still inactive. They are sold only in a package and not individually. For more information and price quotes, please contact me directly.
