

The big business marketplace

Business for sale more than 15 years

ID 24671

Offer Corporate follow-up, firm follow-up, follow-up

Trade Sanitary Technology / Environmental Technology

The company has been operating in the field of sanitary equipment and services for institutional and corporate clients for 23 years. The protected -Brandenburg sales district is offered for retirement succession. Here, as well as throughout Germany, we have been able to win many customers and make the brand known. In the meantime, we are on a par with the major providers in the industry in our special field of expertise.

Subject-specific training and induction are carried out within the company. The handover of the order backlog, the customer base and the preliminary projects is part of the company handover.

Do you want to become self-employed? Or would you like to expand your business to include a specialist department for sanitary sales / assembly?

We offer you a secure livelihood in an interesting, environmentally-oriented environment.
