Look for Corporate follow-up, firm follow-up, follow-up

## **PVC and rubber floor coverings**

We are specialized in the production, trading and installation of PVC and rubber floor coverings for industrial, commercial, fitness and home sectors as well as photovoltaic modules, inverters, battery modules and balcony power plants.

We are currently looking for a small production company or a small company to take over and expand our product portfolio.

If you are interested, we would be very happy to hear from you.

### Succession
