Business for sale more than 15 years

ID 24826

Look for Corporate sales, firm sales, sales **Flexographic Packaging Printing**

I represent a Polish flexographic printing company that has been specializing in the printing of food and pharmaceutical packaging for 30 years.

We are a family-run company that employs over 300 people and exports products to over 40 countries.

We are currently looking for a German company with similar owners who are interested in selling.
