## **Gastronomy**

I am a private person who specializes in making doner kebab.

From planning to sales, everyone has the know-how.

I'm looking for someone who is willing to invest a minimum of 300 thousand euros depending on the location and size.

Only intended as a position in a 1A location

Partners in the form of a GbR formation or as a silent partnership

You are welcome to write to me and we can discuss everything else.
