## **Building Cleaning**

For health reasons, I am putting my well-running company up for sale.

The main area of activity is office cleaning, including glass and frame cleaning, one company for 20 years and one with 15 years in cooperation

Turnover about 200k euros.

there are also high-quality cleaning machines, all in addition I supply hygiene articles

Listing is sold with 30% profit.

For the takeover, I am at your side with words and deeds and offer a conscientious and thorough training of your employees.

By arrangement, I can continue to look after the properties for a certain period of time as an employee.
