Fully equipped beauty studio for sale in

Are you looking for a great opportunity to enter the beauty industry or expand your existing business? We offer you a fully equipped beauty studio with an impressive range of services.

The beauty salon has been completely renovated, with the last renovation taking place in August 2023, and it is fully furnished. The entire concept from A to Z.

The beauty salon is known for its high-quality services, and the price list is above the city's average.

Features:

- Reception area with manicure and pedicure area as well as a makeup area
- 1 fully equipped treatment room with 2 workstations for facial, eyelash, and permanent makeup treatments
- 1 separate kitchen and 1 toilet
- Basement room

The current rent is very attractive. The premises, with 67 m², are in a very good location with parking facilities and a large shop window.

Also included in the package:

- A large customer database
- A broad customer list
- Social media - Instagram
- Website and online appointment calendar
- Fully personalized advertising

There is an accountant who is familiar with all work processes and can continue working with you.

This fully equipped beauty studio offers you an immediate source of income and the opportunity to realize your own business ideas. With an established customer base and a profitable business model, this is the opportunity you are looking for.

We will help you get started and familiarize yourself with the work processes.

You don't have to worry at all before starting work. Just start working and making money.

We are selling the salon because we are moving abroad.
