Gastronomy

In a central location of -Jenfeld and in the immediate vicinity of Ä-jendorfer Park is the approx. 273 sqm gastro/restaurant area offered here, which has been very well established with its Austrian/regional concept since 1991. It is desirable to have a tenant with love and experience in gastronomy who will continue to promote this concept. It is located barrier-free on the ground floor of the commercial building, which also houses a hairdressing salon/nail salon and a gym. Parking is available directly in front of the property. In addition to the large, inviting windows, the building also impresses with its large outdoor terrace with 50 seats, which is a guarantee for further sales, especially in the summer months.

Seating for 70 people is currently available indoors, as well as another 30 seats in a separate event room, the fireplace room.
