Logistics

We are a family-run transport company with 15 vehicles. We rent a storage area of 200-700m², the height of the warehouse is 5m. Pallet trucks, forklifts and ramps for trucks are available.

If you are interested, we can also deliver the stored goods directly to the individual customers with our own vehicles.

Our fleet consists of trucks up to 7.5 tons and semi-trailers.

We also rent parking spaces for trucks.
