Offer Corporate follow-up, firm follow-up, follow-up **Health Prevention / Relaxation**

Sell well-established business in the field of health prevention/relaxation for health reasons/pension. On the market for eight years, expandable.

Concept consisting of different parts: floating, salt cave, massages, product sales, online shop.

High-quality furnished rooms.

The concept contributes to the health of the body and soul. With our Floating and Salt Grotto facilities, we help to integrate relaxation into everyday life.

Floating (floating in salty water) makes a lasting contribution to stress reduction and stress prevention. Joints, spine and muscles are relieved, blood pressure is normalized, symptoms of rheumatism or skin diseases are alleviated. Happiness hormones are released and the immune system is strengthened.

Our SALARIUMÂ® (salt grotto) is also ideal for recharging your batteries. Calm music and light in natural colours have an effect on the soul.
