## **Carpentry / Joinery**

The joinery has existed since the mid-90s in the legal form of a limited liability company with 2 shareholders, who also manage the company as managing directors. The core activity is the planning, execution and installation of contract furnishings, high-quality individual furniture and room concepts for the private and commercial sector. In addition, historical pieces of furniture are also refurbished / restored. In addition, the company also implements solutions in the field of components, whereby the products are mainly purchased from well-known partners.
