Offer Corporate follow-up, firm follow-up, follow-up

Beauty salon

Completely equipped beauty salon for personal family reasons. Location is optimal on a main road in the center of . The takeover price concerns the complete equipment with all equipment, accessories and cosmetics. The devices are not even 1 year old and correspond to the latest technological state (e.g. 4 wave diode lasers for permanent hair removal). Only the value of the goods is demanded, no more, no less, no fantasy prices on our part. More and more detailed information if you are seriously interested.
