

# The big business marketplace

Business for sale more than 15 years

---

ID 25301

Look for Corporate participation, firm participation

## **Work gloves**

Work gloves with customer logo  
and design designs (e.g. CI for companies) as desired.

The gloves are printed externally. So you can only take care of sales.

Initially, an induction with later company participation would be desired.

A later takeover of the entire company would be possible in about three years.

### Participation

Region 40, Germany

Entry in own name
