Offer Corporate co-operation, firm cooperation

## **Creation of an online shop**

We have already built two successful online stores with Shopify and now we want to share our knowledge.

Our comprehensive service covers all aspects of e-commerce:

Development and optimization of the entire online shop

Ongoing operation and improvement of the shop

Creation of image and video material

SEO Optimization

Creation and placement of meta and Google ads

Recruitment and support of influencers

Logistics: storage, picking, shipping

Instead of charging large sums of money, we focus on joint success and take a revenue share of 5-10%.
