## **Boutique Fashion for Women**

Long-standing well-established boutique for women's fashion. Mid-range price segment. We have a small boutique with about 50 m2 of shop space (rented). You can do it alone or with employees. Several exclusive and popular labels. Really very good location location. Between Mannheim and Karlsruhe. I would like to keep the offer extremely discreet, as we have many regular customers and work with staff. Our fashion is primarily aimed at women 40+ who value quality and sustainability. Included are: electronic cash register system, homepage, logo, furnishings. Induction can be guaranteed.
