Look for Corporate follow-up, firm follow-up, follow-up **Property management**

We take over property management, also WEG, no matter for what reason, happy to buy a company.

Our unique combination of local know-how, personal support and a modern, process-driven platform with highly specialized teams of experts enables us to set new standards in condominium management:

First-class customer service: We are available for you on weekdays from 9 a.m. to 6 p.m. and guarantee that 90% of your calls will be answered within 60 seconds. In addition, our emergency hotline is available to you around the clock.

Transparency: With our condominium portal, you have easy access to your digital property file and all important information at any time, including house fee statements, quarterly reports and current account statements.
