Gastronomy & Hotel

I have a hotel and want to rent it out. The hotel can accommodate 38 guests, including 17 complete rooms for guests, 1 double room and 1 single room for the hotel manager to stay. The hotel has a restaurant with 70 indoor seats and about 40 outdoor seats. Bar and Disco room on the first floor. The hotel has a view of the Rhein River in Germany's oldest tourist town. It currently operates as a hotel and breakfast buffet, but has a fully equipped kitchen and dining room to open a restaurant. Price negotiable.
