Look for Commercial rental and leasing

## **Guesthouse or B&B**

I am looking for a guesthouse, B&B or small hotel to lease. Search applies to all of Germany, preferably NRW. No seasonal operation, but year-round occupancy. The farm should be economically healthy and in good condition. An operating result above 150,000 and a lease rate of 20% desirable.

I have worked as a teacher and lecturer at the university and in market research. I would now like to start my own business with a pension and realize an old dream.
