## Offer Corporate follow-up, firm follow-up, follow-up **Online trading**

We are offering a unique opportunity to take over an established and successful online retailer in the medical sector. Our company has been successful in the market for many years and enjoys an excellent reputation with customers and suppliers. The product range includes a wide range of medical devices, aids and consumables.

What we offer:

Established business: A customer base that has grown over the years and stable sales.

Innovative e-commerce platform: Modern, user-friendly online shop infrastructure.

Broad product range: From diagnostic devices to care aids.

High growth opportunities: The online medical market continues to offer great potential.

Fully equipped warehouse: Well-organised logistics and proven supply chains.

Support during the handover: Comprehensive familiarisation and support during the transition phase.

What we are looking for:

Passion and interest in healthcare and e-commerce.

Entrepreneurial mindset and willingness to develop the business.

Experience in e-commerce or the medical sector an advantage, but not essential.
