Gastronomy

Search Chef as business partner for a beautiful restaurant in Wildschönau/ Tyrol - directly at the ski lift.

The restaurant has been in operation for over 20 years and has 90 seats both inside and on the sensationally located sun terrace.

The kitchen and the guest room are fully equipped and tested - a continuation is possible.

Directly attached to the house is a ski lift of the Skijuwel Wildschönau region.
On the ski slope directly behind the house, organized ski races often take place.

In summer, the landing field of the flight and paragliding school is right in front of the house.
