Offer Corporate sales, firm sales, sales

## **Online trade & production**

Location-independent production facility with own products for sale at short notice for health reasons. Due to the attractive global niche positioning, the company benefits from an extraordinarily high gross profit margin of around 96%. Sales are made worldwide via wholesalers, distributors, B2B, B2C, online trade. A customer list is also included. The products can be easily positioned in location-independent online shops, each of which is focused on a designated market niche. The extremely broad range of customers is distributed among private customers (around 40%) and commercial customers (60%). Production can easily be relocated abroad, only PC skills are required. Asset Deal.
