Vending machine kiosk

We are looking for operators of vending machines who would like to set up their vending machine in a 24/7 kiosk.

As the name suggests, the sales room is open 24 hours a day, 7 days a week.

We are looking for vending machine operators

Mobile phone charging cable ect.

Children's toys

Pokomon Cards

Ice Cream Vending Machine

Sandwich meatballs, etc.

Drugstore Products

Crate vending machine

Condom vending machine in the toilet.

Maybe have another idea

Just ask.

There is no risk for you. The shop is operated by us. There is 24/7 video surveillance. They are only responsible for filling the machine.

The catchment area consists of about 260000 inhabitants. Since we are on the edge, residents have limited shopping nearby.

A bus stop (main road), a park, as well as a DHL station next door, are about 50 m away. There are usually enough parking spaces.
