Owner-managed provider for care services is looking for growth opportunities.

We are an owner-managed provider of care services from Bavaria with locations in the major Bavarian conurbations.

For the year 2025, we are looking for owners who would like to place their nursing service in trustworthy hands as part of a succession.

If you are currently in a situation in which a succession is interesting for you, we would be very happy to hear from you.

We will be happy to provide you with more information about us in an initial phone call.
