Offer Corporate participation, firm participation

Real estate

We offer investments in residential real estate projects. Only existing properties with positive cash flow from the outset are purchased. We specialize in buying, holding and optimizing and selling after about 5 to 15 years. We buy in German metropolitan regions. We are one of the best on the market and have a track record of 15 years. Volumes are in the three-digit million range.

Participation
Region 85, Germany
Entry in own name
