## Offer Corporate follow-up, firm follow-up, follow-up **Retailers**

The trading company for components of rail and rail transport occupies a decidedly niche position.

Other focal points of the company's activities are in the automotive sector as well as in the specialized industrial sector.

Thanks to excellent manufacturer partnerships in Europe and the Far East, the company has an extremely good margin situation and has a long-standing customer base thanks to very good product quality and delivery reliability.

The company's sales volume is currently around €5.5-6.5 million p.a., with adjusted EBITs averaging around €1.3 million in the years 2022 to 2024.

Due to the structure of the company, the transaction object is of particular interest to the following buyer groups:

- Investor groups
- Family Offices
- Retail companies that want to strategically expand their product portfolio and purchasing structure
