

The big business marketplace

Business for sale more than 15 years

ID 25614

Offer Corporate follow-up, firm follow-up, follow-up **Health and medicine**

medical company or active participation.

We are a medical limited liability company.

Empirical surveys have been used to define patient groups that are not yet well treated medically and have a high level of suffering. At the same time, a procedure that would be effective for these patients was determined. We have the exclusive rights for the determined medical-clinical procedure. Also for the small device for those affected. There is an international market.

1. The GmbH with a medical distributor is to be transferred

2nd business area is also the establishment of medical centers in cooperation with physicians (long-term nationally and internationally)

- If interested, also with accommodation and acute treatment

4. Takeover of the rights and technology to the treatment procedures (large equipment for medicine and small equipment for those affected) possible

It is also possible to take over the distribution with the GmbH, 2 and 3 can be spun off.

About the procedure:

1.
