

The big business marketplace

Business for sale more than 15 years

ID 25628

Look for Franchise, license

E-bike shop incl. workshop and warehouse

The company is an established brand in the bicycle industry with a very good reputation. The site has a wide range of e-bikes and accessories as well as a professionally equipped workshop that takes care of repairs, inspections and other service requests.

The location offers good sales potential and has a broad customer base. It consistently delivers strong sales. Unique selling points are available. Functioning processes, a stable team structure and an existing business network should be emphasized. The industry is booming, and awareness of sustainable mobility is steadily increasing.

Bicycle retail is not only a business, but also a passion.
