More than 100,000 people live in Sweden. Who were either born in Germany themselves, or alternatively at least one parent comes from Germany. Who are always interested in German food. Who would also like to buy typical German products in Sweden. If they existed.

We are looking for two motivated people for the Swedish postcode areas 36XXX (East Coast) and 51XXX (West Coast). Who can imagine. To build their own existence on the basis of the trade in typical German products. At both locations, well-located premises await you.

What are you waiting for? Vi ses i Sverige - Lycka till.
