Offer Giving away business

UG Mini GmbH for free

Debt-free and operational UG (mini-GmbH) for free or for 1 EUR:

Bank account + debit card + credit card are also included.

The company's registered office is currently in Munich. If you're interested, I would even cover the costs of relocating the office to your desired location – I just want to get rid of it, as the revenues were always too low, and it was never really worth it.

There are no employees or anything similar, no insurances, and no contracts.
