???? SHOP IN THE HEART OF FOR SALE COMMISSION-FREE ????

Right in the centre of , in the decelerated 20 zone, lies the small but fine shop, which has a large shop window front across the entire width. It can be reached from Bregenz as well as from Switzerland in a few minutes by car.

A sufficient number of public parking spaces directly in front of the shop round off a perfect shopping experience.

Architecturally very well thought-out and with a large shop window front - this little gem offers everything you need to make your dream come true on around 47 m<sup>2</sup>.

The residential and commercial building is located directly in the heart of , not far from the lake, and is to beat with this top location. Surrounded by other shops, not only existing customers will find their way to you, but also plenty of walk-in customers. The actual shop includes a small toilet, as well as another water connection in the sales room.
