Insect screen, insect screen manufacturer
Insectscreens – Fly screens

Description of the property for sale:

A successful manufacturer of insect protection systems from the Karlsruhe area is looking for a suitable successor for health reasons of age. The company can look back on a 45-year success story. Known for its reputation for service, quality and reliability. As a system provider (family business) for decades for quality products in the field of insect protection and a clear unique selling point in terms of innovation and execution. The company is located at a central location in northern Baden, from where the company develops, plans, produces, sells and installs only insect protection systems developed in-house. The farm is located in a booming insect protection region.
