NEW SALE PRICE 830.000 Euro

The outpatient care service is being sold for reasons of age.

The unfortunate time and the consequences are over.

Since mid-2024, our advertising measures have been continuously successful again.

The company employs about 18 people and 1 managing director.

Since 1997, the company has been well established in its regional market environment and provides classic services in the field of home care.

Employees are individually supported and qualified.

The result is satisfied employees and a good working atmosphere.

Thus, employee acquisition is not as difficult as is generally the case in the industry.

The convenient staffing ratio avoids partial shifts, which usually lead to great dissatisfaction.

The modern and up-to-date IT and IT equipment ensures efficient work.
