Salt cave / inhalatorium for children and adults

Inhalatorium for babies, children and adults, with salt playground and parent-child café, well suited as an operator, a woman/family, market leader in Mainfranken. In our special salt room, the air is fogged with a salt brine of about 14%. This brine air penetrates deep into the respiratory tract and has an antibacterial and disinfecting effect. With induction on request. Catchment area approx. 800,000 inhabitants.
