ID 25764

Offer Corporate sales, firm sales, sales **Building Cleaning**

For sale is an established and successfully managed company in the field of building cleaning with many years of experience and a solid customer base of commercial clients. The company specialises in maintenance cleaning, glass cleaning and special cleaning and offers an excellent reputation and a stable market position.

In addition to the steady increase in sales and long-standing contract customers, the offer includes:

- Extensive fleet of vehicles (will be treated separately)
- Modern machines and material inventory
- Permanent employee base and great growth opportunities
- Established IT structures up to date
- Good network with relevant business partners who facilitate the transition.

This combination of stable infrastructure, innovative technologies and growing demand provides an ideal opportunity for entrepreneurs looking to enter a profitable and future-proof industry.
