- Business Activity: Previously active, now dormant (corporate shell, shelf company, GmbH shell)
- Dormant Since: January 2022 Reason for Sale: The GmbH is being sold due to the cessation of business activities.

### Description:

There are no liabilities at the time of the GmbH's acquisition. The company already has a tax number and a VAT identification number (UStID-Nr.).

- Share Capital: €25,000
- Purchase Price: €30,000

Premium = Difference between purchase price and assets (bank balance, etc.) at the time of purchase.

No liabilities exist at the time of acquisition.

Included Services

The following essential company documents are available for acquisition:

- Commercial register extract
- Founding document from the notary (articles of association)
- Shareholder list
- Annual financial statement including the 2022 balance sheet and profit and loss statement
- Notice of tax number issuance
- Notice of VAT identification number (UStID-Nr.) issuance
- Additional documents can be reviewed or provided during more detailed negotiations.

The company account and wholesale access can be transferred.

The information about staff and revenue is incorrect, as there was no option available for the dormant company.

Everything else, I kindly ask to discuss directly.

"I don't know what else to write about this, as in my opinion, the matter is already described. However, more text is required, so you can skip this section.

Feel free to contact me."
