Business for sale more than 15 years

ID 25803

Offer Corporate sales, firm sales, sales

Accounting office

An accounting office is for sale. The service portfolio includes the preparation of current accounting, the preparation of current payroll accounting (including additional funds), business consulting and start-up consulting. Furthermore, the preparation of annual financial statements as well as private and corporate tax returns is carried out in cooperation and in the area of legal regulations with external tax consultants. Furthermore, an advice centre of an income tax assistance association is run. The law firm is digitized and works largely without paperwork.

The company has been known on the market for 21 years and has developed a solid client base.

The current operating location was to be retained. The takeover of the employees is desired. The company is also suitable for takeover by a tax advisor or a law firm.

The annual turnover amounts to approx. € 275,000.00.
