## **Salt grotto with café**

Our wellness and café project offers a unique combination of relaxation and enjoyment: Since opening in 2023, we have established ourselves as an oasis of well-being and enjoy great popularity among our guests. As the only provider of its kind in the region, we benefit from a loyal customer base and a steady influx of new guests.

Our facility includes two salt caves, one designed for families and one for a break with adults. We also have a massage room and two spacious and cosy cafés where our guests can enjoy high-quality cakes and drinks. The harmonious atmosphere and our excellent service ensure that our guests feel completely at ease. The rooms are lovingly designed and invite you to linger.
