## Offer Corporate participation, firm participation **Showmen - Leisure Technologies**

Our company deals with the operation of a fairground business at public and private events.

We currently operate two event restaurants (snack bar and bar) as well as a Mega XXL bouncy castle and, from the 2025 season, a play pavilion (ring throwing), beer table sets and tent rental. Both stalls and the play pavilion have been completely renovated.

Our company was founded in 2021. In 2022, we then held the first events and took off in 2023. The 2024 season was supposed to be the prelude to a carefree financial future for us, but unfortunately at the end of 05/2024 and the beginning of 06/2024 the flood of the century hit us in our warehouse and caused us damage. We now want to leave this dark time behind us and control ourselves for the future.

To make 2025 better, we want to buy a ride. Purchase price is available.
